Declaration of Consent for the Use of Recordings and Profile Pictures

Thank you for contributing to the **Children of the Night International Dracula Conference 2021!**

All speeches and presentations for this conference will be recorded, and we need your consent to the use of the recorded material. Our intent is to upload all recordings, or a compilation of them, to the Children of the Night’s YouTube channel, and/or the YouTube channels of the hosting universities (see logos above), for public use. Moreover, we kindly ask you to provide us with a profile picture of your person in good quality, with a minimum resolution of 300 x 400 pixels. We will use such pictures, and screenshots (printscreens) from the recordings, for use on the Children of the Night’s website, the websites of the hosting universities, the Children of the Night’s Facebook group page, any related or affiliated, vampire-studies-oriented Facebook pages, and for other forms of reporting, press coverage and promotion. As the conference is not an “in-person” meeting, we have no opportunity to make photos of the event—we are dependent on your cooperation to create a visual impression of the virtual meeting and its participants.

Please, fill in, print, sign and scan this form, and finally send it as an email attachment to dracongress@gmail.com, together with your profile photo (.jpg, .png, .tiff or .pdf format)

Alternatively, you can fill in and sign this form in Adobe Acrobat Reader, using the **COMMENT** and **SIGN** functions. You will need a digital picture of your signature for that.

“I agree to the recording of my speech/presentation as well to the public use of these recordings, screenshots/printscreens, and my profile picture, as stated above. In case my speech/presentation is, in part or in whole, pre-recorded, I will provide the Organizing Committee of the Children of the Night with a digital copy of such recordings, until seven days after the conference at the latest.”
